**The Honourable Shannon Phillips, Alberta's Minister of Environment and Parks and the Minister Responsible for the Climate Change Office, will participate as a keynote speaker for the Alberta Energy Efficiency Summit 2019**

**EDMONTON** – Minister Shannon Phillips will participate as a keynote speaker for the Alberta Energy Efficiency Summit on Wednesday, February 27, 2019 at 1:00 pm. The Alberta Energy Efficiency Alliance (AEEA) will bring together energy efficiency leaders, like The Honourable Shannon Phillips, Alberta's Minister of Environment and Parks and the Minister Responsible for the Climate Change Office, to lead important discussions around energy efficiency in Alberta.

The annual Summit is a multi-day event held at the Edmonton Convention Centre on February 25-27, 2019. The event will kick off with an afternoon workshop, hosted by Natural Resources Canada (NRCan) and Canadian Industry Partnership for Energy Conservation (CIPEC), followed by two days of exclusive keynote presentations, panel discussions, concurrent sessions, and networking opportunities.

The AEEA strives to continuously engage with its members, stakeholders and the energy efficiency community through industry collaboration and educational opportunities, such as the 2019 Summit.

“The Alberta Energy Efficiency Alliance (AEEA) is thrilled to have a prominent leader like Minister Shannon Phillips participate in key discussions focused on Alberta's energy efficiency movement. I am positive that event attendees will find her keynote address to be valuable and inspiring as we step into the next phase of energy efficiency in Alberta.” – Wayne Morishita, Executive Director, AEEA
